

Kedves Hallgató!

Tudásszintje minél pontosabb megállapításához egy két részből (nyelvismeret és szövegértés) álló tesztet készítettünk. A tesztet az alábbiak szerint érdemes használnia:

Ha tudását maximum haladó (intermediate) szintűnek (alapfokú nyelvvizsgát követő szint) érzi, válassza a **Mérés A** oszlopot (csak az első 40 kérdés), s legjobb tudása szerint válaszoljon a kérdésekre!

Ha ennél magasabb szintű tudással rendelkezik, válasszon a **Mérés B** (az első 60 kérdés és a szövegértési feladat) vagy a **Mérés C** (a teljes teszt) oszlopból!

A feladatok megoldása során szótárt csak a szövegértési feladathoz használjon!

Válaszait adja meg a 10., illetve 11. oldalon található megoldólapokon, majd értékelje őket a megoldókulcs (12.old) segítségével!

A nyelvismereti tesztben minden helyes válasz **1** pontot, a szövegértésben **4** pontot ér.

Ezt követően az elért pontokat írja be az alábbi táblázatba, így megállapíthatja a javasolt szintet.

#### My Worst Experience of the Week

The registration process at the State College was a nightmare. The night before registration officially began I went to bed anxious about the whole matter. .... (1).

First, even though I had paid my registration fee early last spring, the people at the bursar's office had no record of my payment. .... (2). Consequently, I had to stand in line for two hours, waiting for someone to give me a slip of paper which stated that I had, in fact, paid my registration fee. The need for this new receipt seemed ludicrous to me since, all along, I had proof that I had paid.

I was next told that I had to see my advisor in the Law and Justice Department and that the department was in Corridor C of the Triad Building. I had no idea what or where the Triad was ..... (3).

Then I began looking for Corridor C. When I found it, everyone there was a member of the Communications Department. No one seemed to know where Law and Justice had gone. Finally, one instructor said she thought Law and Justice was in Corridor A. "And where is Corridor A?" I asked. "I don't know," the teacher answered. " ..... " (4).

She saw the bewildered look on my face and said sympathetically, "You're not the only one who's confused." I nodded and walked numbly away. I felt as if I was fated to spend the rest of the semester trying to complete the registration process. .... (5).

- A. *I'm new here.*
- B. *But finally, I found my way to the ugly, grey-white building.*
- C. *I wasn't able to understand a single word of what she said.*
- D. *I wondered if I would ever become an official college student.*
- E. *Nothing that happened the next day helped to ease my tension.*
- F. *And for some bizarre reason, they wouldn't accept the receipt I had.*
